

TRANSLATED TEXT

Story don begin wit di narrator remember dia past, memories wey dey scatter like battles wey dem fight and loved ones wey dem lose. Dey recall di voice of Radiant Dawn, wey talk of ancient past and lost history. Narrator learn about di birth of di realm, where chaotic energy transform into di first light, mark new era. First three millennia, wey dem call Aethereal Dawn, bring harmony and balance to di realm. But di fourth millennium be marked by big events, including Terra Ascensa, Ignis Eximius, and Gelus Aeternum, wey reshape di world. Fifth millennium see di formation of Tempestas Aeterna, unrelenting storms, and di birth of The Aetherspire. Aetherspire calm di aetheric energies, but di presence of Aetherspire also wake up Nether, one dormant counterpart to Aether. Nether's introduction to di realm cause chaos, but eventually balance with Aether, create new harmony. Kyrexia Ascension, one localized phenomenon, expand and merge wit di Aetherspire, create twin focal point. Realm's energies reach critical juncture, poised on di threshold of new era.
